## Our History

*Before & After* opened on Sperryville's Historic Main Street in November 2015. Our goal is to provide the residents of Rappahannock County and its guests a comfortable place to meet and converse, while enjoying carefully crafted drinks, baked goods, and meals.

We are particularly proud to operate in an historic building that has been home to some important individuals. Built in 1857, 31 Main was the home and business of well-respected African-American families including James Arthur Engham and James Russell.

We hope you enjoy your visit to *Before & After*. We encourage you to grab a coffee *before* you hit the trails and stop back for a glass of wine *after* your adventures.
